HOME QUARANTINE COMPROMISE

- Keep your pet indoor or within the residence area for forty days (40).
- Avoid that your pet (s) get in contact with native exotic species or domestic dogs and cats within the 40 days.
- Get a reference of a veterinary doctor to keep maintenance of immunization, nutrition and preventive control of diseases for your pet.
- Keep the species at home in a hygienic area, cleaning of the devices and surrounding area.
- Keep responsibility to maintain good and balanced feeding, fresh water and all the necessary care to your pet (s).
- The veterinary doctor from the Small Animal Quarantine will keep a contact of the animal(s) according to their epidemiologic risk.
- If you see any change of behavior or conduct, please contact the Health Ministry - Department of Zoonosis Control at the telefax (507) 238 - 3855 or (507) 238 - 4059, or the e-mail: cam@minsa.gob.pa

The owner compromise to accomplish rigorously the above described to avoid the transmission of infectious – contagious diseases of Public Health importance.
