En el anexo N°1 se detallan las unidades y los lotes de otros productos de menor volumen (algunos no son medicamentos) que fueron sustraídos de vehículo de la Empresa Transmedical, S. A.

El Ministerio de Salud de Costa Rica advierte a la población que a partir del robo de este grupo de medicamentos se perdió la trazabilidad y que no existe certeza de las condiciones bajo las cuales han sido manipulados y almacenados con posibilidad de deterioro, adulteración y falsificación por lo que constituyen un riesgo para la salud de la población.

La Dirección Nacional de Farmacia y Drogas, con la finalidad de salvaguardar la salud de la población, realiza las siguientes recomendaciones:

- ❖ Tenga en cuenta que estos productos pueden estar siendo comercializados en sitios de internet, redes sociales y cadenas de WhatsApp, por lo que los medicamentos solo deben ser adquiridos en los establecimientos autorizados para tal fin.
- ❖ En caso de encontrar en el mercado nacional los lotes descritos en este comunicado:
  - Infórmele rápidamente a la Dirección Nacional de Farmacia y Drogas del Ministerio de Salud al correo electrónico: **auditoriatyd@minsa.gob.pa**.
  - Comparta este comunicado con otros profesionales de la salud y pacientes.
